WHITE SPACE BEIJING

张如怡以一种重复的、封闭的实践手段，理性的控制着情感表达。她的作品复原了在工业化为主的社会生态机制里，一个个体的存在状态，既表达了艺术家对价值体验的独立视角和立场，也提示出受当下庞大的外部环境压缩的个体意识空间。张如怡力所能及地将日常中的自己与都市生活系统的不协调进行转换，在体察中发现抵抗，用交流构筑封闭，在重复缓慢的实践过程中过滤所有由现实施加的情绪。张如怡，1985 年出生于上海，2012 年获得上海大学美术学院硕士学位。现生活和工作在上海。

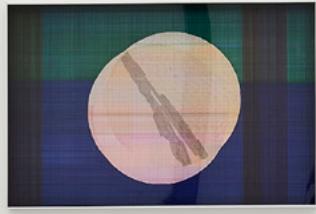

Zhang Ruyi takes control of her expression of emotions in a repetitive and closed way. Her works restore individuals' state of being in the industrialized social ecology and mechanism, revealing her independent perspective and stand toward the experiential value as an artist, and prompting the individual consciousness under the pressure of the enormous external environment. As her capacity allows, she switches her daily life with the discordance of the urban life, detecting resistance by means of experience and observation, building enclosure in communication, and filtrate all the sentiments imposed by reality in the repetitive and slow practice. Born in Shanghai in 1985, Zhang Ruyi graduated with a Master's degree from College of Fine Arts, Shanghai University, in 2012. Currently lives and works in Shanghai.
